

## Learning Object Analysis Sheet

|                              |  |
|------------------------------|--|
| Your Name:                   | Name of Learning Object:                       |
| Subject:                     | Location or URL: <a href="http://">http://</a> |
| Short Description of Object: |  |

| Is this a learning object?   | Not at all               | Somewhat                 | Definitely               |
|--|--------------------------|--------------------------|--------------------------|
| The learning objective is clearly defined and the intent seems to be instructional.      | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> |
| State the learning objective here:   |                          |                          |                          |
| The object is stand-alone, and could be used in various learning environments.           | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> |
| List the types of environments (courses) that could utilize this object:                 |                          |                          |                          |
| The object is reusable and can be accessed by others easily.                             | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> |
| Is this a quality learning object?   | Not at all               | Somewhat                 | Definitely               |
| The content is instructional.  | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> |
| The instructional objective is clear to the learner before the object ends.              | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> |
| The activity or content is aligned with the learning objective(s).                       | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> |
| The navigation and the directions for using the object are clear.                        | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> |
| The object offers opportunities for the learner to interact with it.                     | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> |
| The learner can control the object (pause, repeat, manipulate, alter the learning path). | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> |
| The object is interesting, fun, or engaging.   | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> |
| The 'look and feel' of the object is professional, clean and credible.                   | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> |
| The amount of material covered is appropriate for the learner.                           | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> |
| The object includes a form of assessment.  | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> |
